

# Join in the Rucksack & Handbag Appeal Day

Sunday 26th November 2017

## How it works...

### You donate stuff

- » Drop off on the day at our sorting site :  
14 Reidvale Street, Glasgow G31 1SZ
- » Or in advance at one of our collection points (see website)

### We sort it on Sunday 26th November and the following weekend

- » You can volunteer to help – sign-up on our website!

### We distribute it to folk who are struggling with homelessness

- » You can help us distribute Rucksacks and Handbags during December.

## Why this matters?

We support people who are homeless and who are at risk of homelessness and we need your help to keep people safe, well and warm. We're looking for simple things that many folk don't have – as well as some treats – to support people while they are finding a safe place to live.

**Give something today! Sign up as a volunteer!**
